

## English Shipment to the Philippines -Tenth of the World Effort-

Update as of August 15, 2023

*Each Teacher's Box contains two sets of The Life of Christ, 1 & 2, Salvation Insights, and a Teacher's Guide.*

*When the cartons arrive, the Teacher's Boxes are distributed to Christians who are eager to share the life of Christ.*

In total, we sent 4,450 Teacher's Boxes to the Philippines, distributing them to a little more than 100 different recipients, representing about 130 unique congregations (an average of about 34 boxes per congregation). The shipping company provided white cartons, and we sent 10 Teacher's Boxes inside each carton. The arrival status of each carton is 1) sent, 2) arrived, or 3) distributed.

- 1) **Sent** – As of August 15, 2023, 4,450 Teacher's Boxes have been sent to brethren.
- 2) **Arrived** – Out of the 4,450 Teacher's Boxes sent, 3,220 Teacher's Boxes have fully arrived at their intended destinations. The remaining 1,230 are still en route.
- 3) **Distributed** – Out of the 3,220 Teacher's Boxes that have officially arrived, 2,600 of them have either started the distribution process or have completed it. We will continue to monitor and update the full distribution results as they occur.

Please pray for the continued effort to be a glorified success. Thank you for all your help with TFTWMS!
