Giving the national preacher a better education in the Scriptures.

We mail monthly periodicals to 30,000 preachers.

Truth for Today World Mission School endeavors to produce studies of the Bible in 9 languages for the finest missionaries we have, the national preachers and teachers. We mail to around 30,000 each month. Chad Wagner, an effective missionary to Africa, says, "... while the world is going digital, I firmly believe that the printed page will never fully go away ... [it] can reach places in our world where the Internet has yet to reach."

A great need for printed materials exists across the brotherhood.

We are helping national preachers and teachers to become better and more effective servants of the Lord. These expository materials are used by preachers and teachers in 140 nations. Many of these people are unable to access the internet or have very limited computer ability. They are able to use these issues to share the Bible knowledge they contain with congregations and potential preachers and teachers who need them.

If you or someone you know could benefit from these materials, please contact us for more information at [**correspondence.en@biblecourses.com**](mailto:correspondence.en@biblecourses.com).
