Covering English-Speaking Areas of the World with Studies of the Life of Christ

Truth for Today World Mission School (TFTWMS) is sending pairs of commentaries, *The Life of Christ 1 & 2*, to teachers who want to study the Scriptures with others. This effort involves sending thousands of sets of these books to spread knowledge of the life of our Lord throughout English-speaking countries including Jamaica and Australia.

With the help of Aris Ortiz, 116 teacher boxes were delivered to Caribbean Shipping Freight in Nashville, TN, where they will be shipped to Jamaica. The picture on the left is *The Life of Christ* teacher boxes in English being loaded into their cardboard shipping containers.

On the right is a pallet of 198 teacher boxes recently shipped to The Point church of Christ in Brisbane, Australia. One of their elders will receive the pallet, store it, and send each box through the mail to teachers throughout the whole continent.
