# Truth for Today World Mission School HIGHLIGHTS

## *Contents of English Teacher's Box*

TFTWMS is sending thousands of sets of *The Life of Christ*, 1 and 2 volumes to various English-speaking countries other than in Africa. Here is an update on the teacher's boxes arriving in Jamaica:

The shipment of 116 boxes has arrived.

We were able to clear the shipment yesterday. We were at customs all day. We again thank you for your gift and your assistance to clear the shipment. May God richly bless you.

We will have to travel throughout Jamaica to our over 35 branches to deliver these books and tracts over the coming weeks as most congregations are unable to travel to Kingston to pick up these books at the Jamaica School of Preaching, due to financial and other constraints.

God willing, over time we will travel to most if not all the branches of the Church of Christ to deliver these books.
