

Truth for Today World Mission School HIGHLIGHTS

OUR JAMAICAN WORK

TFTWMS will be taking the Life of Christ teacher's boxes to the Caribbean countries in the fall of 2022. We hope to distribute these studies to Jamaica, Trinidad, and other Caribbean Islands with the help of Christopher Fong, our newest addition at TFTWMS. Chris is currently a student at Harding University working on a degree in Bible and Ministry. He has many contacts in the Caribbean who can help us spread the Life of Christ study materials to those countries.

We would like to send two boxes to each of the 57 congregations in Jamaica. Currently we distribute 200 issues in English per year to the Caribbean Islands.

Covering English-Speaking Areas of the World With Studies of the Life of Christ

Truth for Today World Mission School (TFTWMS) is sending pairs of commentaries, *The Life of Christ 1 & 2*, to teachers who want to study the Scriptures with others. We are working to find the best means to distribute the studies. We look forward to seeing God's kingdom grow.

This effort involves sending thousands of sets of these books to spread knowledge of the life of our Lord throughout English-speaking countries including the Philippines and Australia. For additional information, contact TFTWMS at
