## World Mission School

### HIGHLIGHTS

#### DEMOCRATIC REPUBLIC OF THE CONGO

The Democratic Republic of the Congo (not to be confused with the Republic of Congo) is a French-speaking country in Central Africa.

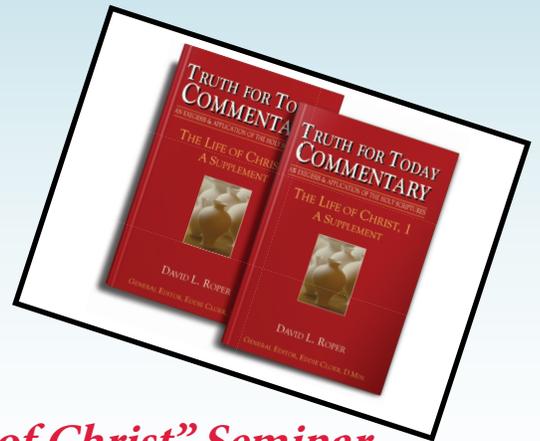

TFTWMS mails issues in French to almost 40 men in the DRC. Here is a message from one of these brethren, Charles Oyungrowth:

“Thank you so much World Mission School for always encouraging and strengthening our faith through your prayers and the materials you send us.

“May I let you know that we are putting in use the knowledge you give us to train leaders at a small Bible school we began and churches and evangelising both Uganda and DR.CONGO.”

#### *“The Life of Christ” Seminar in Belo Horizonte, Brazil*

Jim Gurchiek, the Superintendent of Global Education at TFTWMS, recently traveled to Belo Horizonte, Brazil to help local congregations establish structured schools and Bible classes centered on *The Life of Christ, 1&2* by David L. Roper. The brethren were eager to learn how to effectively use these resources to deepen their study of the Gospels and strengthen their outreach efforts. Jim conducted training sessions, Bible classes, and worship services, equipping members to organize classes that present a careful, chronological study of Christ’s life.

The trip powerfully demonstrated the unity of believers across cultures and languages, as they worshiped together and focused on advancing the gospel. Several brethren shared plans to use the materials to reach neighbors and even previously inaccessible communities, trusting God to open doors for evangelism.
