HIGHLIGHTS

OUR WORK IN NIGERIA

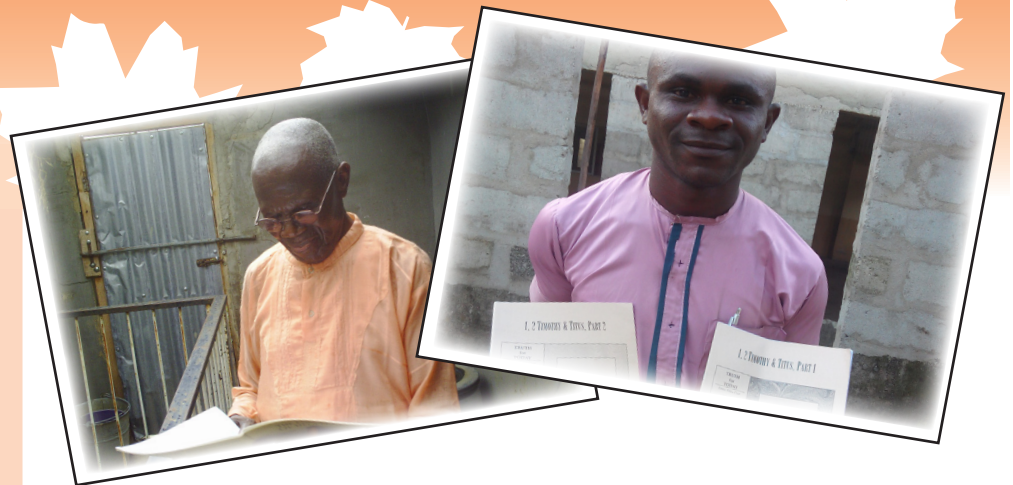

About 500 preachers in Nigeria receive Truth for Today studies in English.

One teacher from Borno State, Nigeria, who has received study materials regularly from TFTWMS, said, "I am most grateful to our Lord and God that you have seen a hungry fellow in Christ and fed him spiritually. These studies have enabled me to go deep and become active in studying the Word of God."

In the last two years, 325 students in Nigeria have been part of the Biblical Learning Centers, studying through *The Life of Christ, 1 & 2*. Students are guided through the courses and take the tests on computers.

Truth for Today World Mission School (TFTWMS) is now sending boxes of books in Spanish to Latin America so that men can become a one-teacher school. Each box contains 2 sets of *The Life of Christ, 1 & 2*, plus 2 copies of *Becoming a Faithful Christian*. Also included is a how-to booklet to guide the teacher in ways to use the books.
