A NEW UKRAINIAN TRANSLATION

In October 2022, translation of lessons on Acts chapters 1 and 2 into Ukrainian has begun!

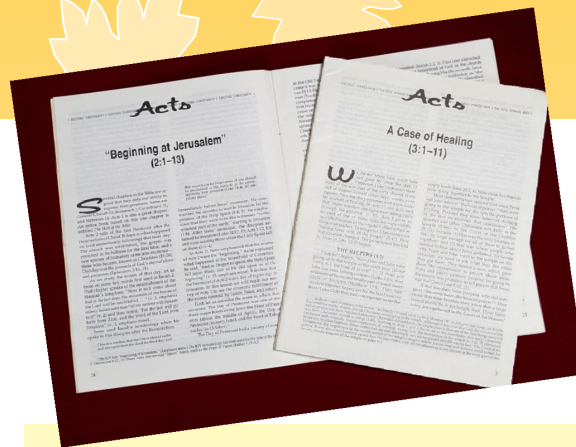

The TFTWMS translator for Russian studies that were being sent to Christians in Russian-speaking countries before the war between Russia and Ukraine is living in Kyiv and is also qualified for translation from English to Ukrainian.

These studies on Acts 1 and 2 will be used for Christians, for those learning about the church in Kyiv, and for the refugees in Poland, Slovak Republic, Romania, Hungary, and even Germany as they teach others.

Please pray for the safety of this wonderful Christian, her family, and those Christians and visitors who meet in Kyiv.

The Coverage of the “Life of Christ” Challenge in the United States in 2022

Early this year, TFWMS launched the “Life of Christ” Challenge. This program is a way for the whole congregation to spend a year studying through the “Life of Christ.” It is comprised of 129 lesson plans, an evangelistic video series, teaching and preaching resources, and youth class material.

So far, 260 churches from 42 states are benefitting from using this study. Nearly 3,000 sets of *The Life of Christ* volumes 1 and 2 have been distributed in the United States through this effort. For additional information, please contact TFTWMS at 2022@biblecourses.com or call (501) 268-7588.
